November was a special Chapter meeting for us. We were able to accomplish a lot in a short time. Election went as expected and the Nominating Committee with the help of Sharon Shuster, held the election and installed the Board in a very nice ceremony. Although some of the new Board members were not present for the installation we used stand ins and will take pictures at the Holiday party in December. Thank you all for the great meeting. After a brief lunch we returned to the class room for a very enjoyable afternoon of painting with Rocky Teel. The project looked like it was going to be a daunting task and turned out to be a rather straight forward painting project, but only because Rocky was so good a leading us thru the steps. I really had fun and have painted two so far. I also used elements of the pattern for two Memory boxes. It was so good to see Rocky again. We miss her and wish her all the best in her retirement years. Come back soon Rocky. Once again Joan Fay and her committee have done an outstanding job on Programs, Thanks so much.

Looking back we have had a wonderful year. Good friends, challenging paint projects that made us grow, excellent teachers an just good times all around. I am happy that so many of you were able to participate in the Chapter activities. The hospital has provided us with a great place to hold our meetings. It has all worked out well. I urge you to sit down right now and decide what you can do for your Chapter in 2008. Make yourself available and participate when ever you can. I love you all for your kind consideration and help and understanding throughout the last two years. It has been my pleasure to have been able to serve you as your President and am looking forward to many hours of enjoyment painting with you next year.

Now read your newsletter, pay your dues for local and SDP, sign up for some committees and I will see you all at the Holiday Party in December.

Congratulation's to the new SSTDP Board.

Sheila Hughes
