Our January business meeting was a huge success. The meeting was well attended and we are all set for the New Year. We have two committee chairs open, Retreat and Refreshments. If you can help with either please call me.

Our Programs chair, Joan Fay, provided us with a wonderful afternoon of painting. Barbara Paetzel taught us a class on flowers that looked like a daunting task to say the least. She had wonderful visual aids that took us through every step of the pattern. Thanks to both of them for making our day of painting with friends a memorable occasion. Please keep in mind that next month will be a fun learning experience. Joan has arranged for Mary Robinson to begin a four part series of instructions. We will be painting on a sketch book cover.

Read your newsletter and keep it handy for events. There is a lot going on and deadlines to meet so use your newsletter as a tool to keep up to date with the happenings of the Chapter. Thanks to Sharon Shuster, we have a web site and a newsletter to keep us abreast of all these activities. Great job Sharon.

A hearty welcome to all new members. We are pleased to have you join us. Bring a friend to any Chapter activity and tell everyone you meet about our group. As you know our membership is our backbone. No one could do it alone but working together we are a great bunch of painters and friends having a lot of fun. So join a committee, volunteer for a job, be on a calling committee, teach a class, call a friend or any other effort you can think of to promote tole and decorative painting. It is what we do.

I am looking forward to seeing all of you in February. And thanks again to all of you who make this Chapter a success. You can call me anytime at 658-2383 or any board member if you have a question.

Sheila Hughes

SEMINARS: At the February meeting I am going to circulate a questionnaire regarding seminars. It will ask: who do you want as a teacher, how much are you willing to pay, how many days are ideal for a seminar and how many seminars do you feel you can easily take a year? It is important to have everyone's input, please make sure you

Happy 39th Anniversary to Sharon and Jerry Shuster, February 18

Tole Month is held in October at the Rainbow Library. This is a wonderful opportunity to display our projects and educate the community about decorative painting. As you paint projects this year think about what you can put on display. We will collect your projects in September, **Thanks, Pat Gettemeyer**

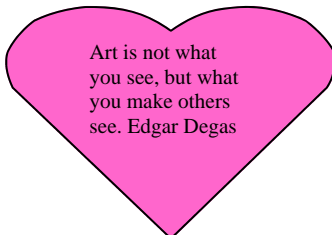

Community Service

The wood pieces, paper mache boxes, paints and supplies have been greatly appreciated by the Salvation Army, clients from the mental health center and The Shade Tree Shelter. I have had clients from the Salvation Army bring projects for me to see and they were feeling very good about their efforts! I will continue to collect paints, books/videos and unwanted wood pieces to donate to other programs.

We will also continue to paint Memory boxes to be donated to Southern Hills Hospital. They have called and requested more boxes so we need to make the donations a couple of times a year. When your boxes are completed, bring them to a meeting and Louise Solheim will store them in her home. If you have ideas for the Community Service, please give me a call. Thank you, **Pat Gettemeyer**

Ways and Means

Just a little report from **Ways and Means** I want to form a committee and I would love you to be on that committee so please give me a call @ 438-3200. I plan to have a meeting in February, let me know if you prefer days or evenings.

We are taking a table at the SDP convention Chapters Marketplace in May so we will be needing painted items to sell. The Marketplace will feature handcrafted goodies, painter-friendly gifts, cookbooks and more from SDP chapters around the world. It is a donation since the chapter will keep all the proceeds. You may give us a suggested price and remember they will have to be taken to Anaheim so not too big. Try to keep it within a price range of \$50.00 or less. A silent auction of painted hearts by well-known artists and donations at the door will benefit the American Heart Association.

Our goal this year is to make \$1500.00. We made \$116.00 at our January meeting, you can see we're off to a great start!
 I look forward to a fun and profitable year.
