Thank you all for attending the May business meeting and workshop. It was a most enjoyable day. We had good food, good friends and a good painting day.

Please read you entire newsletter for all the details. A special thanks to everyone who made May business meeting a well organized and a caring sharing experience for all. Our program chairman, Joan Fay has provided us with wonderful paint projects all year and June will be another leg in the "Possibility's" journey. Keep writing and drawing in you journals and sketch books. It is all part of your self improvement program. I can only speak for myself, but this has been a great experience. Thank you Mary Robinson for teaching us.

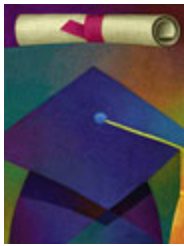

Please sign up early for all classes and projects. It really is important for planning the activities.

Can't wait to hear from the convention attendees. See you all in June.

Sheila Hughes

Ways & Means

Thanks to everyone who have donated items for the Chapters Marketplace in Anaheim. We are looking forward to a successful evening of fun and a little fund-raising! We couldn't have done this effort without the help and support of **YOU** the chapter member! Our monthly drawings have been a huge success this year, thank you for your support. Remember to those attending convention that a silent auction of painted hearts by well known artist's and donations at the door will benefit the American Heart Association. *Thanks, Mary Robinson*

Our May "Folk Art Funk" class with Sheila was a real treat. I believe all of us finished our painting. Thank you, Sheila.

6 hour Workshop

Mary Robinson is scheduled to be teaching the third set of Creative Possibilities.

Retreat- August 17, 18, 19, 2007

The date is chosen! The location is Mt. Carmel, Utah, Mary's digs! Lot's of places for us to stay and eat. Any one interested in teaching a project should contact Sheila. Cut off date will be the June 9 meeting. There is a \$25.00 non- refundable fee to hold your spot for our annual Retreat. Those who attend will be asked to take responsibility for a small portion of making the week-end a success. A sign- up sheet will be at future meetings. This is a fun and much anticipated event for our chapter, let's continue the tradition. Get those creative juices working in overdrive and show us

Community Service

Time is flying by! Sheila and I made our first donation of 18 Memory Boxes to the hospital and they were very happy to receive them. Thank you to everyone who completed this project. Now the rest of us need to get busy so we can provide them with another 18-20!!

I have received a few items to donate to a local charity, but I would like to have a little more before we make a donation. Please check your stash to see if there is anything you could live without and bring it to the next meeting. I will be glad to store it in my garage for now. We could use brushes, wood, supplies (like tracing paper,etc.), and anything else you may have!

And now for **Tole Month**. Please be thinking about projects you can put on display at the Rainbow Library. We will accept all surfaces, including, but not limited to, wood, glass, canvass, metal, fabric, porcelain, paper mache, gourds, etc. Different mediums may include acrylic, oil, watercolor, fabric painting, various textures, etc. We need to show the public that painting includes a variety of surfaces and mediums, and we have so much talent in this Chapter that we would be the ones for this job!!

Thanks for the cooperative effort. Pat G

Various Styles of Rosemaling

article credit: Illinois Norsk Rosemalers Association

Telemark: The Telemark style is asymmetrical with a root center from which a scroll branches out with leaves and flowers that are varied and irregular. Designs are "fantasy-like" and transparent. (In recent years a shaded, opaque Telemark is preferred.)

Hallingdal: Baroque scrolls and acanthus leaves wrap around a central flower. The designs are symmetrical, using opaque color and not generally shaded by lying next to one another. Backgrounds are red, black-green, dark green, and a lighter blue-green.

Valdres: Flowers gather in a bouquet or garland, gathered in an urn or hanging from a rope. Realistic flowers which can be identified and given a name. Leaves are slender, long, s-shapes with a second S turning it at the end. Flowers grow from blue landscapes.

Rogaland: In Rogaland, flowers are more important than scrolls and leaves. Tulips, stylized roses, 4 & 6 petal flowers and the daisy pull-out are used. Symmetrical design, opaque color on dark backgrounds and the use of cross-hatching, dots and teardrops characterize Rogaland. More styles next month!

Seminars

These are the pieces that were selected for the Connie Parkinson seminar on October 20, 21, 2007! "Clear Sailing" was painted on an 11" metalware tray and "Rose Cottage Tea Room" was painted on a 12x 16 stretched canvas. You, of course, can paint on any surface you want! \$25 will hold your seat and the cost of the seminar is only \$95. Don't let this opportunity pass you by, learn a new technique, have fun and why not paint on a new surface.

Thank you, **Anita Miller**

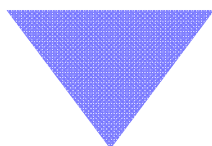

Louise's Angel Painting Challenge

The painting challenge was a success! The first place winner was Johnnie Guyon and Sheila Hughes won second place. Thanks to everyone who painted an angel and who thought out-of-the box. Good Job!! Check out our web site for a picture of the designs submitted.

Christmas Party

Committee, let's all meet on July 21 at 10am at Joan Fay's home for your work assignments. **RSVP** to Joan or Barbara.
