If you missed the August workshop you missed a really cute project. Sharon taught us a witch painted on a clip board that was fun, fast and at the end of the day we had a lovely finished project. Thank you, Sharon! As always thank you, Joan Fay, our Program Chairman, for arranging these charmers. I hope all of you have signed up to paint with Patty Clark at our September meeting. You do have some prep work before applying the pattern.

Please read your newsletter and mark your calendar for all important dates and instructions. We are collecting Tole Month painted items for the Rainbow Library display at the September meeting. If you cannot bring your project then, please contact any Board member that lives near you and make arrangements to take your pieces to their home.

Our Nominating Committee will be making calls to fill Board positions, please step forward if you are interested in a particular position. This wonderful Chapter runs with the help of a group of very dedicated volunteers. Elections are held in October, look for the slate of Officers.

Once again I am looking forward to seeing you at the September meeting. Thank you to all who make this organization possible, we truly appreciate it! **Sheila Hughes**

Have a safe Labor Day !

Sweets: Lourdes
Non-sweets: Sandy

RETREAT 2007

SSTDP had ten members sign up for our annual summer retreat. The trip included a stop at Robert's/Provo Craft and Ben Franklin's in St. George, Utah. We then started out of town through Zion National Park. We had the pleasure of seeing deer very near the road, a herd of big horn sheep and a buffalo farm. We were also surprised by a torrential downpour, it didn't last long but for desert dwellers, it was a very enjoyable experience. We arrived at Mary's cabin which turned out to be a five bedroom ranch style home which was most accommodating. Our projects for the evening were two refrigerator magnets. Look for the picture on the website.

Friday morning we started our painting schedule off making accessories for greeting cards and many small items to be used later. Throughout the day we accumulated a great deal of knowledge about gold foiling, stamping, embossing, paper weaving, ribbon tying and many other useful techniques. We had a class on Sumi brushes and by the end of the day we had enough skill to create a card including the envelope on our own. We topped off the evening with a mind bending quilt square folded out of tissue paper and a large Root Beer float.

Saturday, Mary taught us a Shara Reiner project painted on a wooden tray. The project was published in the Decorative Painter. We all enjoyed the project. All the skills we learned this past year came into play.

Mary was so well organized she was defiantly the "hostess with the mostest"... cleaning, cooking, teaching and making sure we had everything we needed.

We all enjoyed the hospitality of good friends, good food and a chance to paint uninterrupted. I enjoyed it so much I am already looking forward to next years retreat! I suggest that any of you who can possibly leave town for next years retreat take advantage of the chance to paint with friends and enjoy a reprieve from the 100 degree temperatures here in the valley. Thanks,
Sheila

Silver State Tole & Decorative Painters
is an affiliated chapter of the
Society of Decorative Painters

Seminars

October is just around the corner and we will be having our seminar with Connie Parkinson. I still have a few seats available for this wonderful class, please give me a call if you want to sign up. I will be getting in touch with those that have already signed up for this class to finalize things for the seminar. \$25 deposit will reserve your seat. The total cost is \$95. and you provide your own surface. Seminar is at Southern Hills Hospital, October 20, 21, 2007 @ 9:30 am to 4 pm.

Future Seminar dates : Vicki Rhodes, September 2008
Bobbie Takashima, March 2009

Thanks, Anita

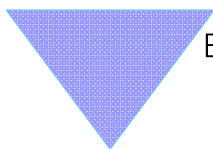

Community Service Report

The time has finally arrived! I have been asking everyone to think about the projects they are going to submit for Toile Month. We need to bring those projects to the September meeting so they can be taken to the Rainbow Library for display. The theme this year is different mediums/different surfaces: oils, acrylics, watercolors, etc, on tin, glass, wood, watercolor paper, etc. Let's give the public a good idea of how you can paint on almost anything!

I still need all of you to go through your stash and donate the wood and paints you no longer need so we can help the shelter residents develop self-esteem. Also, I will be donating many of the paints to community recreation centers.

The last item is the Memory Boxes. The hospital continues to need the boxes to give to families who lose a baby. I thank those who have contributed so far this year. We need many more and I hope everyone is working on at least two. Louise Solheim and I will accept them anytime you see us! This has been an on-going commitment and the hospital reports they are of great value to the families who receive them.
Happy Painting! Pat Gettemeyer

Check out Terra Bella Finishes with a new line of luxurious looking paints and fun multimedia applications of the accompanying mediums.

Old World Peasant Paint—Natural pigments with a soft and subtle flat finish. Adheres permanently to almost any surface, including Formica, countertops, Plexiglas. It can be used as a primer or paint and a great base for Faux finish effects.

Opulence— Opulence is a thick pearlized gel medium that gives a shimmer, vibrancy and paint-like opaqueness.

Paint/Varnish Remover— For use on most surfaces. Will effectively remove paint, varnish, shellac, stains, enamel, vinyl, graffiti, lipstick, ink, glue, stickers, paint from clothing, etc. Great on surfaces such as tile, wood, fiberglass, metal, baked enamel, cement, walls, marble, concrete, brick, decking, stainless steel, brushes, carpet, and upholstery. Non toxic.

Nautical Varnish— Ultra Violet protection with a tough finish that thoroughly seals the surface. Non-toxic, use on boats, decks, outdoor projects, furniture. Non cracking, non yellowing, dries clear.

Working Time Extender—Can be used in sealers, varnishes, glazes and any other water based product. Non toxic, water based.

There are a lot more mediums to discover! They even have a sister site with non-VOC ingredients for babies rooms! Move cursor over hyperlink and press control + click <http://www.terrabellafinishes.com/> or paste this link into your internet browser's address bar.

Directions to Chapter Paint-Ins and Workshops:

Exit 215 at Sunset Rd, follow map to Southern Hills Hospital front entrance. Go to the Education Room across from cafeteria.

Meetings are held at 10am on the second Saturday of each month,

Southern Hills Hospital
9300 W. Sunset Rd.
Las Vegas, NV 89148
